	New's Lauren Soulek tells us how he's making
	his mark within his field.
	PKG IN: "David Lane teaches a class on campus
	called Marks of Civilization this class is the
	only one of its kind in the United States
	according to Lane. His class is all about the
	culture and social aspect of the tattoo business.
	But why is this the only class of its kind and
	why is there not as much research on the subject
	as opposed to other subjects?
